Accordingly, the claim is certified as having been determined to be of the character contemplated by provisions of the act for report to Congress for appropriation for the payment thereof. It is further recommended that Congress, in making an appropriation for the claim, provide the definite amount of the claim taking into consideration any increase or decrease in the rate of exchange as may be necessary to pay the claim in the foreign currency specified. A brief statement of the character of the claim, the amount claimed, and the amount reported follows:

DEAR MR. DIRECTOR: In accordance with the act of July 3, 1943 (57 Stat. 372; 31 U. S. C. 223b), as amended, made applicable to the Department of the Air Force and the Air Force by the National Security Act of 1947 (61 Stat. 501; 5 U. S. C. 626) and transfer order No. 30, dated April 28, 1949 (JAAF Bulletin No. 10, dated May 11, 1949), to provide for the settlement of claims for damage to or loss or destruction of property, or personal injury or death, caused by military personnel or civilian employees acting within the scope of their employment, or otherwise incident to noncombat activities of the Air Force, this Department has considered, ascertained, adjusted, and determined, in an amount in excess of \$1,000, a claim for damage to property as hereinafter specified.

The claim arose on April 8, 1951, and was presented in writing within the time provided in the act. The claimant is Mr. James W. Heflin, 515 Maple Road, Morningside, Md. The amount found due, which the claimant has agreed to accept in full satisfaction and final settlement of any and all claims, both insured and uninsured, is the sum of \$1,691.81. The claimant carried an insurance policy in the amount of \$1,000 on his property. However, he stated that he did not intend to file a claim against the company. Accordingly, the claim is hereby

certified as having been determined to be of the character contemplated by the provisions of the act for report to Congress for its consideration and it is recommended that the claim be submitted to Congress for appropriation for the payment thereof.

A brief statement of the character of the claim, the amount claimed, and the amount reported follows:

After take-off, the landing gear failed to retract properly and the malfunction could not be corrected by emergency procedures. When the fuel supply was nearly exhausted, the aircraft was set on a heading calculated to miss populated areas. The crew bailed out safely but the aircraft deviated from the set course and crashed in the community of Morningside, Md. Upon impact one of the engines tore loose and struck the corner of the claimant's house with considerable force, causing damage to both the outside and inside of the house.

 TREASURY DEPARTMENT

THE SECRETARY OF THE TREASURY,
Washington, February 21, 1952.

THE DIRECTOR, BUREAU OF THE BUDGET.

SIR: In accordance with the provisions of the act approved December 28, 1922 (U. S. C. title 31, secs. 215-217), there is transmitted herewith for your consideration an estimate of appropriation arising out of the following claim on account of damages to or loss of privately

owned property caused by the negligence of a Treasury Department employee acting within the scope of his employment:

The Pan American World Airways, Inc., Los Angeles Airport, Los Angeles 45, Calif., is the claimant. The record shows that on August 17, 1951, Customs Inspector Verne Hansen, acting in his capacity as an export control officer, exposed 1,600 feet of 16 mm. Ansco color film valued at \$120 causing it to become worthless. The film was being shipped on claimant's plane by Sid Klein, Inc., 7916 Beverly Boulevard, Los Angeles, Calif.

Sid Klein, Inc., has received the amount of \$120 from Chubb & Son, Underwriters, 90 John Street, New York 38, N. Y., claimant's insurer, and has released his rights to the claimant. Chubb & Son has authorized the claimant to collect the sum of \$120 as their agent.

In view of the facts stated above, the foregoing claim in the amount of \$120 is certified for submission to Congress as a legal claim against the United States, which has been considered, ascertained, adjusted, and determined by me under, and by virtue of, the act of December 28, 1922.

Sincerely yours,

E. H. FOLEY,
Acting Secretary of the Treasury.

Malke Gross Brandwein and Mendel Gross Brandwein, 2636 University Avenue, Bronx, N. Y. Claimants arrived in Boston, Mass., aboard the United States Army transport *General Holbrook* on August 30, 1949. Part of their household effects, consisting of silverware, glassware, and porcelain, was detained for more complete examination and was transferred on August 31, 1949, to the appraisers' stores in Boston. These goods appear to have been pilfered from a carton while in Customs custody, and claimants were notified that they could not be located on February 28, 1950. Amount claimed, \$80; amount allowed, \$80.

In view of the facts above stated, the foregoing claim in the amount of \$80 is certified for submission to Congress as a legal claim against the United States which has been considered, ascertained, adjusted, and determined by me under, and by virtue of, the act of December 28, 1922.
